

**COMTHIRDFLT Unclassified
CAS account request**

CAS

Collaboration at Sea

[Unclass CAS](#)[Coalition Links](#)[HA / DR Sites](#)[Support](#)[Registration](#)

Welcome to the CAS Portal

Thursday - March 1, 2007

[Coalition Sites Information](#)

The site links for the CFE and M2I2 are located in the menu under [Coalition Links](#). All data and collaboration information will be posted on those sites as follow-up for the CFE / M2I2 conferences.

[SameTime \(Instant messaging\) - Unclass Link](#)

Sametime is an instant messaging client that is available to all CAS registered users. There are also additional products that can be used with Sametime such as the Meeting Center and Discussion areas.

[CAS New User Registration](#)

Use this link if you have not registered for Unclassified CAS before and you need access to an Unclassified CAS site or would like to use Sametime Chat. Existing users can also modify their existing account if changes are needed, such as contact information or additional access to other applications.

Your new account or changes will need to be approved prior to your being able to access the sites at the level you requested. You will receive an email indicating whether the request was approved or denied.

Department of Defense Disclaimer

This is a Department of Defense Computer System. This computer system, including all related equipment, networks, and network devices (specifically including Internet access) are provided only for authorized U.S. Government use. DoD computer systems may be monitored for all lawful purposes, including to ensure that their use is authorized, for management of the system, to facilitate protection against unauthorized access, and to verify security procedures, survivability, and operational security. Monitoring includes active attacks by authorized DoD entities to test or verify the security of this system. During monitoring, information may be examined, recorded, copied and used for authorized purposes. All information, including personal information, placed or sent over this system may be monitored. Use of this DoD computer system, authorized or unauthorized, constitutes consent to monitoring of this system. Unauthorized use may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be used for administrative, criminal, or other adverse action. Use of this system constitutes consent to monitoring for these purposes

CAS Registration Portal

[Login](#)

Welcome to the Collaboration at Sea (CAS) Registration Portal. This system is designed to manage user registration, profile updates and access to the Navy Domain.

To register, users must have a valid e-mail address.

Use the navigation bar on the left to accomplish the tasks you require.

[HOME](#)[USERS](#)[- new user request](#)[- reset password](#)[- expired account](#)[- person lookup](#)[HELP](#)

Click on the “New User Request” option to access the request form.

If you've already registered and are having issues,
